Our walking tour starts at St. Paul's Chapel, the oldest public building in NYC still in continuous use. It became a makeshift rescue centre during the aftermath and its iron fence became a bulletin board where family members posted notices of their missing loved ones. Next, hear the heroic stories of the emergency responders at the Firefighter's 9/11 Memorial Wall, and see the Engine and Ladder Company 10/10, the fire station at Ground Zero. Finally, you'll enter the 9/11 Memorial, where you can pay your respects to those who lost their lives in the World Trade Center.
